

Supporting Students Today. Strengthening the Profession Tomorrow.

What is WSA EMPOWERS U?

WSA EMPOWERS U is a university program that opens doors for aspiring audiologists in an AuD program. Whether you're just starting or preparing to enter the workforce, it's built to support you at every stage — from education to your first job.

Program Components

Educational Programs

Get on-site training in hearing aid technology and research, plus career-readiness prep and a real look at the career paths open to you.

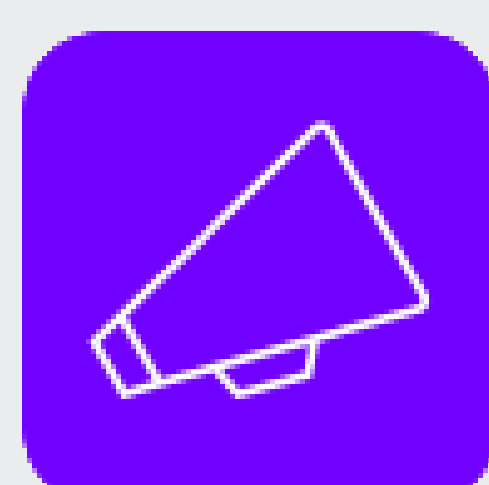

Mentorship

Get matched one-on-one with a WSA audiologist who supports your transition from student to professional.

Partnerships

Get hands-on time with WSA devices and technology in your clinics, plus grants and support for student research and poster sessions.

Outreach

Stay connected through events, communications, and updates built for students at partner AuD programs.

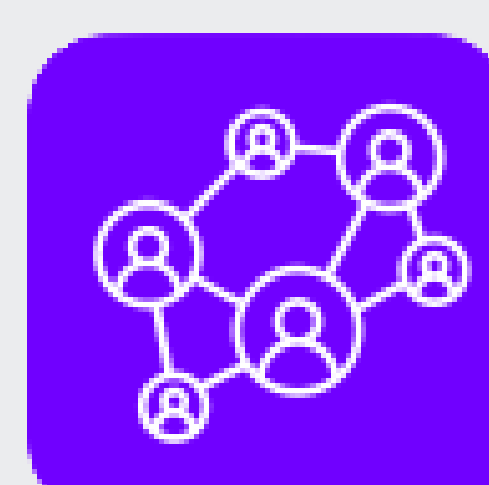

Workforce Training

Step into paid externships through our partner network — real clinical hours and real earning while you build the experience employers want.

Engagement

Stay connected after graduation — linked with fellow grads and the broader WSA network.

Relationship-Building

Get help finding employment that matches your desired setting or location.

Scholarships

Receive scholarship support that eases the cost of your degree, awarded for strong potential and commitment.
